These mouth-watering cheese platters will make your guests smile. The heroes of these platters are definitely the cheeses. Platters will consist of at least 3 different cheeses. Whole green figs from FA add extra oomph to the Blue rock, Camembert or Roquefort cheese. Additional cold meats and drywors/biltong or chorizo makes these platters very satisfying. Add to these 2 dips, 1 or 2 types of FA produced jams (fig or apricot), black herby olives produced by FA. The crackers, home-made fresh cheese straws, mini vetkoek or French loaf makes excellent carriers. Baby tomatoes/carrots and seasonal fruit (figs, grapes and blueberries) are added for some freshness. Yum!.
